According to Read More Skin Editor 3D for Minecraft 1.7 Description Skin Editor 3D for Minecraft (Package Name: com.keeratipong.skineditor3dminecraft) developed by Remoro Studios and the latest version of Skin Editor 3D for Minecraft 1.7 was updated on April 7, 2019. Skin Editor 3D for Minecraft is in the Tools category. You can check out all the apps from skin editor 3D developer for Minecraft and find 37 alternatives to Skin Editor 3D for Minecraft on Android. Currently this app is free. This app can be down on Android 4.1+ on APKFab or Google Play. All APK /XAPK files on APKFab.com are 100% original and secure with quick downloads. From the most popular Minecraft leather editor on the Play Store, 'Skin Editor for Minecraft', we're back to create a one with more functionality to edit the interface. The app supports both the 64x32 (old version) and 64x64 (new version) interfaces. These are the features of Skin Editor 3D for Minecraft:1. Create a new Minecraft interface- Use Steve Skin- Browse over 20,000 online interfaces- Copy any online player's interface by name- Random Skins Online for you- Import directly from Minecraft PE- Browse collections for skins2. Edit and improve the skin with great tools- Paint brush- Paint Bucket (Fill tool)- Color grid selector- Color gradient selector-Eye dropper to read color-Zoom in/out tools- Rotating tool- Undo and redo button3. Adjust the visibility of each body part of your Minecraft character. In this way, it is super easy to draw the inside of the body.4. Export interface in 2 different ways- Export directly to Minecraft Pocket Edition- Export to your collectionYou can follow me on Twitter @keeratipong. Editor 3D for Minecraft was not developed by Mojang. Minecraft is a trademark of Mojang AB. Please note that we are not edging with Mojang AB but we comply with the terms set out by Mojang AB at Skin Editor 3D for Minecraft 1.7 Update This version- Fixes bugs that cause some devices not to save skins.-----
----- Final Edition - Improves the ad experience to prevent random ad clicks- Introducing a great game section for free!- Move the target SDK version to 26- Optimize asset load times Read more
